THE STORY SO FAR....

The school has been named after famous saint – St. Francis.

St. Francis Xavier was a Spanish Jesuit who travelled extensively in India to share his faith. He is often called as the Apostle of the Indies. St. Francis was founded on 10th May 1988 to give boys & girls a sound education upto class I and was upgraded to Class VIII in the year 1999. School got affiliated to CBSE Board in the year 2009. At present, by the grace of the almighty the school is a senior secondary school.

It is a co-educational English Medium School recognized by Central Board of Secondary Education, New Delhi.

From the Principal's Desk

“Success comes to those who work hard and stay with those who don’t rest on the laurels of the past.”

We live today in the world that is so different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on the entire system of education. For the past 35 years, this glorious institution has worked diligently to prepare students and become valuable contributors to the society.

We look forward to a long association with you. Let us join hands in grooming the young minds so that they may walk the path of life successfully.

Thank you for choosing us.

Sincere Regards
Adeleine Charles
