A healthy diet and regular physical activity can stabilize energy, sharpness of the mind and improve one's mood –thus allowing children to maximize their potential both inside and outside the school. **The good news is – it doesn't have to be difficult either!** Instilling healthy habits in kids requires a team effort. Let's begin afresh yet again with another set of menu to add variety to your taste buds! Kindly follow the same to enjoy the nutrition of all the food components in your daily diet

Day 1 Monday: Veg sandwich, Biscuits

An easy sandwich, that kids would love with cheese and vegetables. Choose fiber-rich bread and digestive biscuits for a healthier choice. You can choose any sandwich spread also like Mayonnaise, Peanut butter also, of your kid's liking.

{With this kids will get --Carbs, protein, green vegetables and sugar, fibers etc..}

Day 2 Tuesday:

Roti, Paneer butter masala or Any other paneer recipe, Cucumber salad and Cashew biscuits

Paneer with rich buttery gravy goes well with the soft rotis, that will be kid's favorite!

{With this, Kids will get Carbs, protein, fat, Vitamins and fibers-}

Day 3 Wednesday:

Pav Bhaji, plain or jiggery coated dry fruits

Mixed veggies cooked with masalas and topped with butter chopped onion and lemon juice with pillow-soft buns! You can chop the veggies the day before and use burger buns also.

Day 4 Thursday:

Channa pulao or chole--Rice, Apples or fruit salad

Soak basmati rice and chana overnight and morning you can make this pulao easily! With a little bit prior preparation you can make chole-rice as well. Healthy for your kids too!!

MEAL PLAN-
